

ITRAM HIGIENE, SL: CERTIFIED NEUTRAL COMPANY EMISSIONS - CLEAN CO₂ CERTIFICATION -.

Once emissions associated with the activity of 2020 have been calculated, Itram Higiene has reached up stage 1 and 2 which have been compensated by acquiring 20 CO₂ credits from the Andra Pradesh Project developed in India.

For this reason, ITRAM HIGIENE has obtained the Clean CO₂ certification, as a guarantee for its compensation of emissions done.

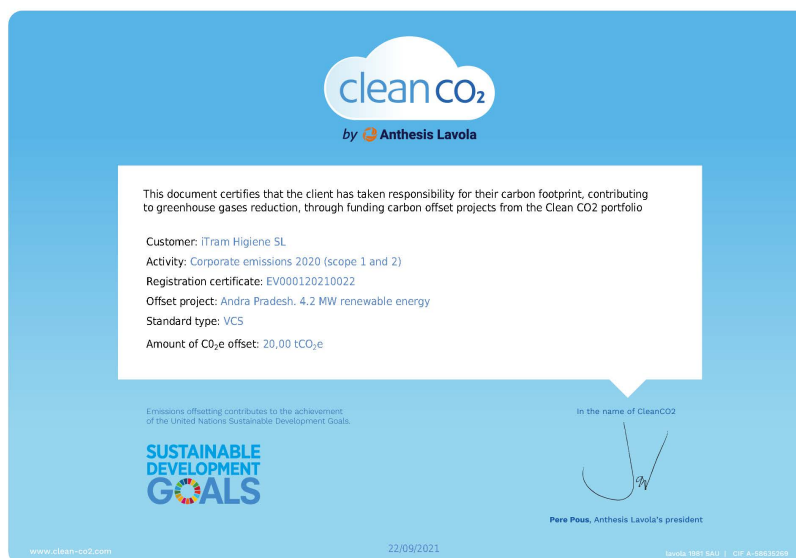

This certification it also provides ITRAM HIGIENE with a singular stamp with a QR code. (Reading QR code allows you to see current ITRAM HIGIENE status about CLEAN CO₂ CERTIFICATION).
